COUNTRY

Part II: Certification

II. Health information

I. the undersigned official veterinarian of ................................................................. (insert name of third country) certify that:

1. The country of dispatch is a member country of the World Organisation for Animal Health (OIE) and belongs to the OIE Regional Commission for ......................................................... (insert name of Regional Commission).

2. The birds described in point 1.28 have been subjected today, within 48 hours of the last working day prior to the date of dispatch, to a clinical inspection and found free of obvious signs of disease.

(*) either

[3. The bird(s) complies/ comply with at least one of the following conditions:

(*) either

[they come from a third country listed in Part I of Annex I or Part I of Annex III to Regulation (EU) No 206/2010 and have been confined on the premises specified in point I.17 under official supervision for at least 30 days prior to the date of dispatch and effectively protected from contact with any other birds;]

(*) or

[they have been vaccinated on [day/month/year] against avian influenza of H5 and H7 subtypes within the last 6 months and not later than 60 days prior to the date of dispatch, in accordance with the manufacturer’s instructions. The vaccine(s) used is/are not a live vaccine(s) and were approved for the species concerned in the third country of dispatch and in at least one Member State of the European Union;]

(*) or

[they have been isolated for at least 10 days prior to the date of dispatch and have been subjected to a test for the detection of avian influenza H5 and H7 antigen or genomic, as prescribed in the Chapter 2.3.4 of Avian Influenza in the Manual of Diagnostic Tests and Vaccines for Terrestrial Animals of the OIE, as regularly updated, carried out on a sample taken on [day/month/year], which must not be earlier than the 30th day of isolation;]

(*) or

[they are moved to a house, greenhouse, or another residence within the European Union and must not be offered in shows, fairs, exhibitions or other gatherings of birds during the period of 30 days following entry into the Union;]

(*) or

[the owner/person responsible for the birds has declared that he/she has made arrangements for the 30 day post-introduction quarantine after entry into the European Union, in an approved quarantine facility or centre in accordance with the first paragraph of Article 6 of Commission Implementing Regulation (EU) No 139/2013.]]

---

Notes

Part I

Box reference 1.15: Registration number (railway wagons or container and line), flight number (aircraft) or name (ship) is to be provided.

Box reference 1.19: Use the appropriate HS codes: 01.06.31, 01.06.32, 01.06.39.

Box reference 1.23: For containers or boxes, the container number and the seal number (if applicable) should be included.

Box reference 1.26: Identification system: The birds must bear:

An individual number which permits tracing of their premises of origin. Specify the identification system (such as clip, ear band, microchip, transponder, tag).
