Re: **GLAS Annual Declaration for Low-emission Slurry Spreading (LESS) 2020**

GLAS Advisors,

Please be advised that the 2020 Annual Declaration & Claim form for the LESS action issued yesterday 22/09/2020 to GLAS participants who included the Low-emission Slurry Spreading (LESS) action in their GLAS Tranche 1, 2 and 3 applications.

The completed forms must be returned to the address below, not later than 30 October 2020. Failure to return the correctly completed forms will result in a delay in making the 2020 Scheme Year payments and may result in the rejection of the LESS action from their GLAS application or full rejection and clawback from the Scheme where LESS is the only priority action on the application. Further conditions are outlined in the letter and form, which are annexed to this Circular for your information.

If participants are returning their completed form by email, please ensure that the form is signed by all relevant parties and is legible.

Please note that the last spread date is 11.59 pm on 14th October 2020. Closed period begins on 15th October 2020.
