Procedures for inclusion in accepted list for  
**S.110 - Accepted meal bins and grain silos**

Any company wishing to become accepted for the provision of meal bins and grain silos must provide the following information to the Department of Agriculture, Fisheries and Food.

Details required:

1. Product(s) to be supplied.
2. Company Name.
3. Company address.
4. Contact name and telephone number.
5. Dimensions of each product.
6. Detailed drawing of products.
7. Full details of supporting frame.
8. Full details of material used to manufacture bin (sheeting thickness, galvanising weight, paint colour, paint thickness). If different materials are used to manufacture different parts of the bin, then full details on each material are to be provided along the location each material is used.
9. Photographs of product.
10. Declaration that product will only be supplied to this standard.
11. Guarantee given with the product.
12. Expected lifetime of the product.
13. Details of base required for each product in range (size and thickness of concrete slab).

**Note:** This acceptance will last for 5 years, after a period of 5 years on the list, it will be required for companies to under go a renewal process which will include the resubmission of the above data and evidence of having remained certified to the relevant standards for the previous 5 years and evidence of having produced the product to the agreed standard.
