July 2009**

ACCEPTED PROPRIETARY HORSE FACILITIES

This list details all the companies that are accepted as producing proprietary horse stabling facilities, horse walker/exerciser facilities and prefabricated lunging areas to the standard of S156. The units will still be subject to a final inspection before grant-aid is paid.

Acceptance means that the company has stated that it will build stables etc, to the standard of S156.

If a manufacturer is not included on this list, then initial approval for grant aid shall not be given unless the applicant arranges for the Departmental acceptance of the chosen system. It is important that when an applicant is applying that they state the manufacturer of the facilities to be constructed.

If a horse facilities manufacturing company which is not on this list wishes to be included, it should send detailed specifications of their units to: Specialist Unit, Specialist Farm Services Environment and Evaluation Division, Pavilion A, Grattan Business Centre, Dublin Road, Portlaoise, Co. Laois.

ACCEPTED MANUFACTURERS OF HORSE STABLES :-

Manufacturers must confirm they will comply with all aspects of S156, including ventilation at time of application.
